## Game Guide

### Accept Route:

#### Minigame 1:

Spam Key Arrows in all directions repeatedly to negate the heart movements

#### Minigame 2:

For normal play mode, go in the shape of a diamond to avoid hitting the small ball.

For time stop mode, stay in a corner to bait the big ball, and run away. Also be very careful with the extreme speed.

#### Minigame 3:

Secret Phrase is “Yes I will!”

### Reject Route Minigame:

This is the secret pathway:

TAP LIGHTLY to move ONCE. I do acknowledge the controls are a tad annoying much like the minigame itself!
